Appendix 7

	<ul style="list-style-type: none"> • Closures and Political issues: <ul style="list-style-type: none"> ○ Up staff for the eclipse. Team was given an IA zone, which includes the TFR and area for the BT and the Rowlands dispatch center. ○ FS closures is still in place but did down size for the hunting season. • Major Safety Concerns / Injuries / Accidents: <ul style="list-style-type: none"> ○ Long travel times, snags and unburned area still threats. ○ 1 T1 and 1 T2IA crews for long term planning. Will be ordering resources in planning to have the fire staffed for the next 21 days or so. ○ Ordered the T3 WY team. In brief on Wednesday and will shadow that day. ○ Close out for T2 IMT on Thursday evening. Travel home Friday. ○ NO Accidents or injuries • Resources to release: <ul style="list-style-type: none"> ○ Some misc overhead as the fire continues to “right size”.
2 Fire: Puddle T4 IC Brink Report out by Jessica Wade	1400 acres / 80% / 6 / 47 West of Salt Lake City <ul style="list-style-type: none"> • Made really good head way and are expecting 100% containment this morning. • No issues and no concern. Fire is 1000 acres BLM and 400 State Lands.
3 Fire: Highline IC: NIMO Joe Reinarz	18393 / 0% / 42 / \$586,736 <ul style="list-style-type: none"> • Significant changes since the last 209: New acre size. <ul style="list-style-type: none"> ○ <i>IR flight last night mapped fire at 20,307 acres</i> • BRIEF fire synopsis /Critical Incident Information: <ul style="list-style-type: none"> ○ <i>Fire behavior was moderated yesterday due to decreased winds. The S, SW portion of the fire was slowly backing to the west as the inversion broke earlier than on the eastern edge. Eastern edge was under the inversion or smoke layer all day so there was minimal fire behavior and growth. The Forest discovered another fire approximately 14 miles to the east of Highline in the area of Goat Peak. The Goat fire was approximately 20 acres when discovered and the Team will likely receive a DOA to manage this as part of the Highline fire. Due to the</i>

Appendix 7

	<p><i>addition of this fire we will be increasing our resource needs, and will be inserting a crew into Cold Meadow to begin infrastructure protection on FS assets.</i></p> <ul style="list-style-type: none"> • Political Issues / Community Meetings: <ul style="list-style-type: none"> ○ <i>Have set up a briefing for Forest employees on Tuesday August 22, at 1330.</i> ○ <i>If the Goat fire move down the breaks of the Salmon River there will be additional political concerns with the rafting and boating community.</i> • Closures / Evacuations / Public Safety Issues: <ul style="list-style-type: none"> ○ <i>Area closure with the FCRONR Wilderness is be extended to cove the additional area of fire impacts</i> • Major Safety Concerns / Injuries / Accidents : <ul style="list-style-type: none"> ○ <i>No Accidents or injuries to date.</i> ○ <i>Placed Paramedics with the crews due to the remote area they are working in and the need to rely on aviation resources for evacuation.</i> • Critical Resource Needs: <ul style="list-style-type: none"> ○ None at this time • Resources Available to Reassign/Share/Demob: <ul style="list-style-type: none"> ○ <i>Due to the eclipse there will be limited aviation activity today.</i> ○ <i>No resources to share or being demobed. Tomorrow may see some release of resources.</i>
<p>4</p> <p>Fire: Ibex</p> <p>Report out by Todd Baumer</p>	<p>6000 / 33 / 420,000</p> <ul style="list-style-type: none"> • Significant changes since the last 209: None • BRIEF fire synopsis /Critical Incident Information <ul style="list-style-type: none"> ○ Fire is still progressing to S and SE to about ½ mile from the wilderness boundary. ○ Using the hand crews to prep contingency lines in case the fire comes out of the wilderness. ○ Looking at a T3 organization to monitor the fire for the next several weeks. • Political Issues / Community Meetings <ul style="list-style-type: none"> ○ Smoke into the city of Challis and hazards on the motor way if crews are using the roads for line holding. Plus additional civilian traffic over the next day or two for Eclipse

Appendix 7

	<ul style="list-style-type: none"> • Closures / Evacuations / Public Safety Issues <ul style="list-style-type: none"> ○ FS tails are currently closed • Major Safety Concerns / Injuries / Accidents <ul style="list-style-type: none"> ○ Very heavy fuels, steep terrain and in the wilderness • Critical Resource Needs <ul style="list-style-type: none"> ○ Crew replacement is the concern. Crews are timing out and will need replacements. ○ May have to order more overhead when the fire comes out of the wilderness for the T3 organization. • Resources Available to Reassign/Share/Demob <ul style="list-style-type: none"> ○ NONE
4 Fire: Six Mile	<p>185 acres /90% /</p> <p>No issues no concerns.</p>
Other Incidents	IC call will continue with the two teams committed, per Mob Guide.
Date/Time of Next Call:	8/22 0800 MT / 0700 PT
